# Research Away Day - 5th May 2022

## Monica Burgess, PolSci Research Manager

(monica.burgess@ucl.ac.uk)

# Research grant applications and success rates

- **2019/20 - 35 applications submitted - 9 successful (among which two ESRC New Investigator awards and one UKRI Future research leaders Fellowship!)**

- **2020/21 - 45 applications submitted - 10 successful (among which a Philip Leverhulme Prize, BA Mid-Career Fellowship and ESRC post-doctoral Fellowship, the first for the dept)**

- **2021/22 - 37 applications so far, plus 11 in the making - 6 successful (among which a big HorizonEurope grant!)**

# Current awarded research grants

We currently run/hold 21 external research awards:

- 5 will terminate at the end of the current financial year, 31st July 2022

- 11 will continue running into the next financial year 22/23 (ERC Starting grant/Gates Foundation/ESRC post-doc Fellowship)

- 5 will continue running until 2026 (ESRC NI grants/2 UKRI Fellowships)

We also hold 16 UCL/'not classified as research' grants closing on 31st July. We had 3 last year.

# Research application guidance - 10 top tips
## https://bit.ly/applicationsproceduresharepoint

1. **Read the Call Guidance**

2. **Contact us 30 days before the deadline, or 3 months prior for**

   **UKRI/ESRC and 6 months prior for Horizon Europe/ERC grants**

3. **Discuss teaching buyout immediately with Research Manager**

4. **Consider all salary costs first, including research and admin posts**

5. **Use budget and Justification of Resources templates provided by the**

   **department**

6. **Always obtain service/supplier quotes while developing the budget**

7. **Request all collaborator costs in Pound Sterling**

8. **Check whether Due Diligence is required for collaborator costs**

9. **Complete Worktribe Risk Assessment as soon as possible**

10. **Consider publications Open Access Costs**
